

Background and Basics: Alaska's Upcoming Census

Liz Brooks, Alaska State Data Center Lead
Alaska Department of Labor and Workforce Development
Research and Analysis Section
Population and Census Unit
liz.brooks@alaska.gov
907-465-5970

This webinar presentation is available upon request. This presentation briefly covers how the Census Bureau will contact people in your area what will be on the Census questionnaire, and why some people are hard to count.

The presentation lasts less than one hour and can be tailored to meet the interests of specific audiences.

Please contact Liz Brooks at liz.brooks@alaska.gov or 907-465-5970 for more information.
