

**Small choices make
a big difference for Alaska.**

ANSWER THE 2020 CENSUS TODAY.

TAKE 3 STEPS

Everyone can fill out the 2020 Census online. Not everyone will receive a code through the mail: look for the link to proceed without one. More online responses means fewer in-person visits.

Federal funding for public health, safety, and emergency response is based on our census count. COVID-19 makes it essential to respond to replenish critical services.

Responding to the 2020 Census is confidential, easy, and funds a decade of support for Alaska. It's a safe way for everyone to contribute to their community without leaving the house.

1

Stay home.

2

Wash hands.

3

Fill out the Census!

Respond online today.
